Three themes are discussed concerning the competition (sporting side only):

1. Players
2. Sports format
3. Procedure

1. The players: 1 ladies team, 1 men team and a constitution of 1 mixed team

1.1 Level of players

Only men whose World Padel Tour ranking is less than or equal in level to 70 can participate and for women, the maximum ranking retained is 50.

1.2 Changing clubs

A player who has represented a club for the European Cup in 2019 may compete for another club in 2020 only with the written agreement of the Club whose colors he no longer wishes to defend.

This letter will be sent to the AECP at least two weeks before the start of the 2020 competition. Each club may present up to 3 players of different nationalities.

1.3 Teams's line-ups

The composition of the mixed doubles of each team can be modified by the captain from one meeting to the next.

2. Competition format : The 24 teams will be divided into 8 pools of 3 teams ***

2.1 Constitution of the heads of series:

The following criteria have been retained: 1) winners 2) finalists 3) semi-finalists from previous editions of the European Cup (with increasing precedence) 4) Clubs affiliated to the AECP.

2.2 The meetings

Group stage:

Each team will play 2 games against teams from the same group

At the end of these meetings, the 3 teams will be ranked from 1 to 3

Draw to choose the team that will serve first.

Final phase :

The 8 clubs that finished first will find themselves in a final table. Each meeting will be by direct

elimination. Classification matches will be played in order to classify all the clubs from position 1 to 8.

This same pattern will be repeated for the teams having finished second and third in the group stage. So

all the teams will play 5 games between Friday and Sunday

2.3 Progression of the matches

The matches will be played in 2 winning sets with, if necessary, an 11-point super tie-break (1 point difference) in the 3rd set.

2.4 Service order

The order of the servers throughout the match will be equal as the order chosen during the first 4 games.

2.5 Exit the court

It will not be allowed to exit through the gates of the court to continue the point.

3. Procedure

The 3 meetings of each hen will be on Friday then 2 meetings on Saturday and finally the last on Sunday in the middle of the morning.

On Saturday afternoon, the meetings will be scheduled early enough to allow those who wish, to enjoy Malaga and its surroundings.

During the competition, the teams must appear in full at the referee’s table 40 minutes before the match time with the players’ identity cards.
Sports management will be provided by a Referee and three assistants. Itinerant referees will be present during each game and more particularly at the start of each game.
Les capitaines retireront auprès du juge arbitre une feuille à compléter indiquant la composition du double Hommes - double Femmes et le double Mixte.

After delivery of this match sheet, the balls and waters, fruit, will be provided and the court number indicated.
Warm-up time before the start of each match 10 minutes maximum.
The two captains must give the result of each meeting to the referee at the end of the meeting while bringing back the balls and bottles of water.
