A COLORFUL 4TH EDITION UNDER THE AFRICA SUN!

To mark its 10th anniversary, the European Association of Padel Clubs (AECP) organizes the 4th edition of the International Cup of Padel Clubs in Saly, Senegal, nicknamed “the pearl of West Africa”. From October 26th to November 1st, 2025, participants will be able to enjoy an experience combining padel, tourism and conviviality, in an exceptional setting by the sea.

The tournament will take place at the prestigious Club La Palmeraie, equipped with new courts, a swimming pool, a CrossFit area, and a children’s play area. Facilities also include a hammam, a bowling alley, coworking and meeting rooms, as well as a bar-restaurant in an ideal setting to enjoy African nights.
